The Undersigned shall perform a passing pressure test as supervised by the Borough's representative or shall engage a Borough approved and NASSCO certified engineer or technician for a passing CCTV inspection from the viewport to a clean-out no more than five (5) feet from the outside wall of the property, no later than sixty (60) days from the Borough's grant of extension of this Agreement. b. _____. The Undersigned, within sixty (60) days from the Borough's grant of extension, shall install, at his or her sole cost and expense, a dedicated manhole or manholes to Borough specifications sufficient enough, in the sole discretion of the Borough, to observe all of the sewage flows from the subject residential property. The Undersigned further agrees to install, at his or her expense, a flow meter or meters, to Borough specifications, in order for the Borough Representative to have access thereto to monitor actual sewage discharge in excess of the Undersigned's residential water consumption. The Borough will report meter readings to the Undersigned monthly. The Undersigned agrees to provide the Borough with proof of a bona-fide contract which guarantees that the Contractor or the Undersigned shall perform all work necessary to bring the Property into water-tight compliance and shall submit to the Borough proof that the funds necessary to perform all corrective action required have been escrowed or are otherwise available. The Undersigned further understands and agrees that all inspection fees—engineering and meter monitoring—labor and materials for compliance, shall be at the sole cost and expense of the Undersigned. The Undersigned further guarantees to comply with the Borough Rules and Regulations within twelve (12) months of the Borough's grant to extend compliance time.

[REV. 12/13/16]

The Undersigned, being the Owner/Transferor, Buyer/Transferee and/or Mortgagor, hereby acknowledges the validity of Westmont Borough's Rules and Regulations and intends to comply fully with the requirements thereof in a timely manner, in consideration of an Extension of the deadline for said Compliance. The Undersigned further understands and acknowledges that as a precondition for an extension, the Undersigned understands that in the case where complying with said Regulation would cause an undue hardship, the Borough may grant, in its sole discretion on a case-by-case basis, a limited extension of time within which to comply.
