

## GARBAGE

Residential garbage is picked up once a week at curb side or alley. Each residence or dwelling unit is allowed four (4) bags or cans per week. Proper receptacles are garbage cans with tight fitting covers or plastic garbage bags which are securely tied. Garbage must be placed at the alley/curb before 7:00 a.m. on the scheduled day of pickup, or placed out the night before. Garbage cans shall be removed from the curb/alley the same day as the scheduled pickup. Your cooperation is requested.

**For 30+ gallon cans, garbage must be put in bags before placing in the cans.**

**For BACKYARD CUSTOMERS- garbage MUST be put in bags before placing in the cans.**

## RECYCLING

PA ACT 101, in 1991, mandated that Westmont Borough implement a recycling program. All residents, as well as commercial and institutional establishments are required to recycle. The residential program includes co-mingled recycling (**EVERY OTHER WEEK**) of the following:

Glass - from beverage bottles and food jars

Aluminum, steel, and bi-metal cans - from beverage and food jars

Plastic - plastics marked with (1) PET (2)HDPE

Cardboard & Newspaper

Rinse recyclables, remove, lids, leave labels on. Recycling bins are available at the Borough Office (1-2 bins - Free; 3<sup>rd</sup> bin - \$5 deposit). **DO NOT PLACE** recyclables in plastic bags. Recyclables must be placed at the alley/curb before 7:00 a.m. on the scheduled day of pickup, or placed out the night before. Bins shall be removed from the curb/alley the same day as the scheduled pickup.

**NOTICE - if you use containers other than those furnished by the Borough, the containers must be marked "Recycle"**

**Your recycling day is your normal garbage day EVERY OTHER WEEK (see attached schedule - recycling weeks are shaded.)**
